PROGRAM FOR FULL <u>MASS</u> (with communion)

(NOTE: Items printed in *italics* indicate variables that you should list in a printed program. Optional items are given in brackets. The music office will provide you a detailed list of music titles and composers for the selections you have made once all the musical arrangements are finalized. Scripture references for the readings and gospel are generally taken from the options provided in the *Together for Life* book, chosen in consultation with your priest.)
